

# The Westminster Specialist College

7 July 2021

Dear Student and Parent/Carer

## **Welcome to The Westminster Specialist College**

I am delighted to welcome you to The Westminster Specialist College. The next few years promise exciting experiences and learning opportunities for all of our students and all of us here are looking forward to working with and supporting them to achieve their aspirations.

A welcome meeting will be held for student, parents and carers virtually on Microsoft Teams on Thursday 15 July at 5.00pm. This will be an opportunity to learn more about College life and hear important information that you will need for the start of the new College year in September.

If you haven't used Microsoft Teams before you will be able to dial into the meeting using a traditional phone line or if you would like a calendar request sent to you email [contact@twspecialistcollege.co.uk](mailto:contact@twspecialistcollege.co.uk) with the preferred email address or telephone number. Alternatively, there is a QR Code at the bottom of the letter, if you scan this using the camera on your mobile phone it will take you to the meeting on Thursday. I look forward to seeing you on Thursday 15 July.

If you have any questions in the meantime, please email [contact@twspecialistcollege.co.uk](mailto:contact@twspecialistcollege.co.uk) or call .

Yours faithfully

**Mr O M Flowers**  
Principal
